

“The mission of Andover High School is to create an environment in which every student has the opportunity to use his or her mind well to become personally responsible for his or her academic, social, and civic growth and physical growth and physical well-being.”

DAILY BULLETIN – THURSDAY – APRIL 3, 2014 (BLUE DAY)

*Zero Waste Day - **Sat 5/3**, organized by Andover Recycling Committee (see email below) - is a day when anyone can drive through with their car loaded with items to donate/recycle. Volunteers help to unload the cars and bring the items to the appropriate organization (see attached flyer for organizations and items that can be recycled/donated – this year it's pretty much everything: electronics, tires, building materials, textiles, toys, household goods, etc.). I've been volunteering at it myself, often alongside Env. Club members, for the past few years and it's always a smoothly-run, well-organized event. This year, the organizers of Zero Waste Day are expecting a HUGE turnout (they had 500+ cars last year) and are looking for as many volunteers as possible. Could you please help to publicize this opportunity to AHS students and parents? <http://www.signupgenius.com/go/10C0D4FA4A622A2FD0-zero>
