

“The mission of Andover High School is to create an environment in which every student has the opportunity to use his or her mind well to become personally responsible for his or her academic, social, and civic growth and physical growth and physical well-being.”

DAILY BULLETIN – WEDNESDAY, FEBRUARY 1, 2017 (BLUE DAY)

“In the middle of every difficulty lies opportunity” – Albert Einstein

*Announcement from the Recycling Club: We will be kicking off our recycling club activity for 2nd semester starting on Friday, February 3rd. We would like to invite all volunteers to join this fun team. We meet after school on every Friday at 2:10pm in classroom 217. This is a great opportunity to demonstrate that we are a responsible part of the school community. If you are looking for community service hours, then this is a great opportunity to earn them. We are also looking for 2 to 3 new Recycling Club student leaders for 2nd semester. Interested candidates may contact Mrs. Gupte to schedule an interview. If you would like more information, please contact Mrs. Gupte at sgupte@aps1.net. Thank you on behalf of the Recycling Club.

*The 2017 Boston Regional Brain Bee will be held on Saturday, February 25th at Tufts University School of Medicine in downtown Boston. Participants must be high school students in grades 9-12. All questions are based on information from the 2012 Brain Facts book, which is available for free download from the [Society for Neuroscience website](#). The top three Boston Regional Brain Bee contestants win a cash prize. In addition, the winner will represent Boston in the National Brain Bee competition at the University of Maryland during Brain Awareness Week 2017. This year, the National Brain Bee will be held on March 18-20. You can find the link to register on the APS website under curriculum - science - high school - academic competitions and events.

*Attention students: All morning announcements must be approved and signed 24 hours in advance. No one is to read any announcements that are not signed and approved by an administrator.

*Andover Auto School is offering Saturday sessions for driver's education beginning January 21st – February 18th from 8:30am-3:00pm. A one-week session is available during February vacation (February 20th – 24th) from 8:30am-3:00pm. To register for either session, please call 978-470-2060. Andover Auto School is located at 2 Dundee Park, Suite B03, Andover, MA.

* FREE after school tutoring is available for students preparing for the February Biology MCAS exam. These review sessions will meet on Wednesdays and Fridays throughout January in room 225 for one hour beginning at 2:15 pm. Again, these sessions are free and could offer a very helpful refresher for next month's Biology MCAS exam. Come when you can! Please see Science Program Coordinator Mr. Sanborn or Ms Holm-Andersen for more information.

*Andover High School has reserved five entries at the Region IV Science and Engineering Fair that is taking place on Saturday, March 18th at Somerville High School. If you are interested in participating in this event, please inform Mr. Sanborn as soon as possible. A deadline for safety committee review of project proposals is coming up soon.

*Online registration is now open for the 2017 US Biology Olympiad Open Exam will take place at Andover High School on Tuesday, February 14, 2017 (Valentine's Day) at 2:15 pm in room 323. The Open Exam is a 50 minute multiple choice exam. The top 10% of exam takers nation-wide move on to the Semi-final Exam. The exam is free but students must register online. For more information about the US Biology Olympiad, visit <https://www.usabo-trc.org> To register for the Open Exam, visit <https://www.usabo-trc.org/student/register>

Additional information can also be found online at AHS Science page of the APS website under Academic Competitions and Programs. Contact Mr. Sanborn if you have any questions.

* Reminder to students who drive to school: West Middle School will tow cars that do not have authority to park in their lot.

*Reminder: All students must have their IDs on them at all times.

*Any student who finds an illegally parked vehicle in their parking spot please fill out an Incident Parking form in the Main office. Please be sure to have the Plate number of the illegally parked vehicle in your spot and the parking space number you parked in.

Scholarship Opportunities:

The Hood Milk Sportsmanship Scholarship Program awards 18 New England high school student athletes with a \$5,000 scholarship toward furthering their education at a two- or four- year accredited college or university. To apply visit Naviance or <https://hood.com/scholarship>

*Summer opportunities: The School of The New York Times – NYC Summer Academy 2017. Find out more at: www.nytedu.com/summer

*Are you a young man or woman with a passion for medical science or an interest in healthcare? We are pleased to the 2017 Harvard Medical School MEDscience Summer program for high school students. We offer (9) one week / 5-day engaging, hands-on summer sessions on the campus of Harvard Medical School. This is not a traditional summer STEM program! Students are trained in medical skills, engaged in critical thinking, problem solving, team work, and personal health literacy . Our dedicated simulation laboratory features a high-tech simulated patient with realistic and medically accurate features- the same life-like mannequin used to train Harvard Medical School students. Additionally, students will tour various Longwood Medical area partners such as Children’s, Beth Israel, and Brigham and Women’s Hospitals as well as receive a CPR certification. Please click this link (<http://conta.cc/2iWAmgB>) for more information. For additional questions please email Colby_reilly@hms.harvard.edu.

Attention Faculty and Club Advisors: All morning announcements must be approved and signed 24 hours in advance. No one is to read any announcements that are not signed and approved by an administrator. We’ve

had a line-up of students most mornings wanting to make announcements for clubs/activities so we are trying to make it as least disruptive to your classroom instruction as possible.

*Faculty: When using AESOP please leave your parking spot number, so the person covering for you may have the correct spot to park.

*Progress Report dates for the 2016-2017 school year are the following: Term 1- week of October 4-7, 2016. Term 2 – week of December 12-16, 2016. Term 3 – week of February 27 - March 3, 2017. Term 4 – week of May 15-19, 2017.
