

“The mission of Andover High School is to create an environment in which every student has the opportunity to use his or her mind well to become personally responsible for his or her academic, social, and civic growth and physical growth and physical well-being.”

DAILY BULLETIN MONDAY, DECEMBER 18, 2017

*Students need to have their student IDs on hand at all times. If you are tardy, not having your ID slows down the tardy line tremendously.

*Attention Club Leaders: Does your club want to be included in the 2018 Yearbook? Send an email to AHSYEARBOOK@aps1.net or see Mr. Aubrey in Room 224. In your email, identify your club name and when you meet.

*Help the children from the Lawrence Boys and Girls Club stay warm by donating Hats, Scarves, or Mittens. Place your donation on the **Amigos Unidos Mitten Tree** which will be located on the steps of the Main Lobby until Thursday, **December 21st**. Thank you in advance for your support.

*LOST AND FOUND- The lost and found box is chock full to the brim. Please come into the Main Office and take a look if you think you might have lost something since the beginning of the school year. ALL UNCLAIMED ITEMS WILL BE DONATED TO CHARITY AFTER **DECEMBER 22ND**.

* The locker rooms will be **LOCKED** during each and every class period. For those students needing to use the restroom - the restrooms directly across from the locker rooms will be open for your use during the school day. Students will not be allowed into the locker rooms during class periods. Please do not ask the PE teachers to “let you in” or for keys to let you into the locker room. Please plan accordingly with regard to where you are storing your books, jackets and lunches.

*Andover High School will be holding our very own Science and Engineering Fair in the AHS cafeteria on Saturday, February 3, 2017. Complete information and registration form for the fair can be found on the school’s website at <http://www.aps1.net/1970/Andover-High-Science-and-Engineering-Fai> . Individual and team projects (2 or 3 people) can enter and the highest rated projects will qualify for the Region IV Science and Engineering Fair in March.

*Young American’s For Freedom meets every Wednesday right after school in Room 245. Whether you are politically motivated, are afraid to share your opinions, or simply know little about politics, consider visiting our school’s new Young American’s For Freedom chapter. The club meets with the goal of spurring political discussion, promoting traditional conservatism, bringing different speakers to Andover High, and looking for biases with our education system. Every week brings a new topic of discussion and occasionally member produced speeches, so be sure to drop by and join the discussion. For more information contact Matt Guthrie, Rayhan Khan, or Ms. Robb, or email andoveryaf@gmail.com.

*Come play 4 Square before school at 6:45am on Thursday morning’s in the Field House starting Dec 7th. Please see Nina McKone, Leah Parrott or Ms. Emery for more details.

*Attention all students enrolled in AP courses. Please complete the mandatory AP survey.

***AHS News Schedule:**

***The 2017 Women of Science Competition will be held on Saturday, December 9 at Bedford High School. The competition involves about forty teams of junior and senior high school women competing in four science and engineering events. All events involve knowledge based in the areas of biology, chemistry, engineering, environmental science, math, and physics. Teams compete *as a group* in each of the four events. Andover High has competed in each of the past two years.**

Andover High can register up to two teams for the competition - if you are interested fielding a team, please contact Dr. Sanborn, Science Program Coordinator, as soon as possible as the registration fills up fast.

***Please see the following for:**

**Teacher Supplies – Diane Costagliola
Teacher Parking Space Issue – Mickey Rivera
Keys and ID badges – Roseann Camilo**
