

Access Classlink at Home

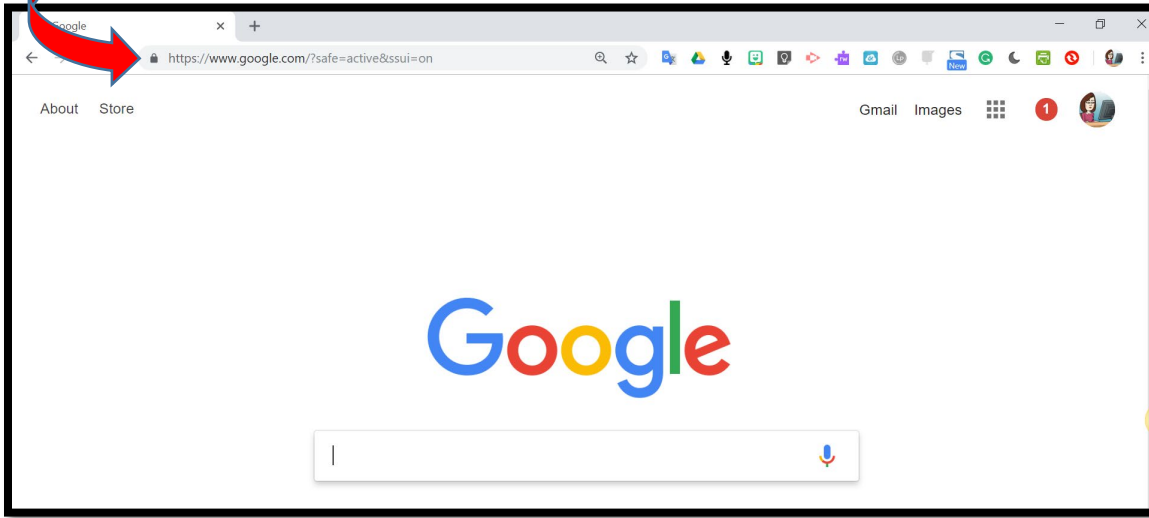

1. Open your Chrome Web Browser

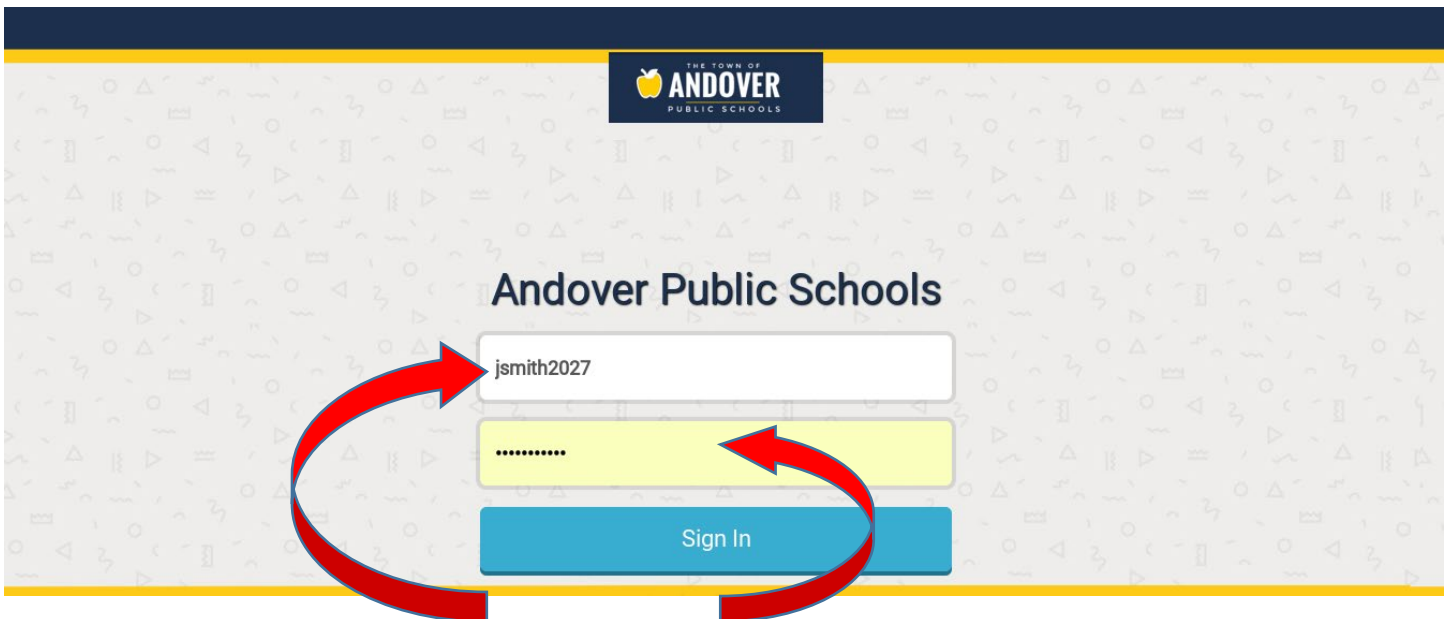

2. Enter the following URL in the address bar:

<https://launchpad.classlink.com/aps1> and click the enter key.

*The Address Bar is here.

You should see the Andover Public Schools Classlink login page!

3. Enter your student **Username** and **Password** in the boxes provided.

Hint: Enter the same username and password you use when you log on to your Chromebook at school (do not include @k12.andoverma.us in your username)

4. Click the **Sign In** button.

You should see the Andover Public Schools Classlink Dashboard

5. From the Classlink Dashboard, click on an app.

* If you are prompted to enter a username or password for an app, you should enter the same username and password you entered for Classlink.

*If you are prompted for a username and password for **Lexia**, enter the same username you entered for Classlink, and enter the password **read**
