Dear Parents/Guardians:

The Andover School Committee has approved a Student Transportation Policy that has been in effect since September 1, 2003, that provides transportation to students in grades 7 – 12 on a fee basis.

The Policy states:

- At its discretion, the School Department may furnish transportation to students in grades 7 – 12, based on existing bus routes, provided that the parent(s) or guardian(s) of such students pay a Transportation User Fee in the amount established annually, by the Superintendent of Schools or his/her designee.
- The fee established for 2020/2021 School Year is **three hundred dollars (\$300).** This is the same rate as last year.
- The fee shall be for the entire school year and shall apply regardless of how often the student rides the bus to and from school; no reductions will be made for students who only ride one way or only ride on particular days.
- Families with more than two (2) students in grades 7 – 12 shall be subject to no more than two (2) transportation user fees. We have a family cap of \$600.00 for 2020/2021.
- No student will be denied transportation because of financial hardship, subject to the attached terms and conditions. Application for free or reduced transportation must be made by **July 24, 2020.** You must apply **EACH SCHOOL YEAR.**
- Student(s) who enroll in the School System after the start of the school year and whose parent(s)/guardian(s) wish to pay the user fee will have the fee determined on a pro rata basis to the end of the school year.
- Student(s) who are enrolled in the School System at the end of the current school year and whose parent(s)/guardian(s) do not initially **pay the user fee by July 31, 2020,** but wish to do so after that date, will pay and be issued a bus pass **if there is sufficient space on the bus.** If the school year has started, the fee will be determined on a pro rata basis to the end of the school year, if there is sufficient space on the bus.
