

WMS 7TH GRADE SUPPLY LIST

Supply lists will be reviewed during the first week of school. For the first days of school, students should come with writing utensils and a place to jot down some notes (a folder containing notebook paper or a notebook). Given that students will no longer be able to share resources, the list is a bit more extensive this year than in the past. Unfortunately, we will be unable to supply students with pencils, glue sticks, tissues, etc., therefore, students need to have their own supplies which they will keep in their backpacks.

Laptops

Students are required to bring their own charged laptop to school each day they attend school. Laptops should be carried in a protective sleeve while at school.
