

Dear Incoming 4th Grader:

Welcome to Grade 4! Below are your supply lists for the upcoming school year. It is also a great idea to recycle and bring in any materials you may have left from 3rd grade that are still in good condition. Donations of disinfectant wipes, tissues, and paper towels are always appreciated as we typically go through those consumables rather quickly. We look forward to meeting you this fall!

We kindly request you bring the following supplies to school on either the "Meet & Greet" day or the 1st day of school:
