

TO: MEMBERS OF CLASS OF 2011
FROM: School Administration
RE: **Senior Parking Lottery**
DATE: June 9, 2010

Student Name: _____
Address: _____
Phone: _____

It is time to register your interest in obtaining a parking spot for next year. Spots will be determined in a lottery overseen by a student representative and the school administration. To make the lottery as fair as possible, a parking space number and a student name will be drawn out of separate boxes and will represent your student parking space for the school year. You are not guaranteed a space in any particular location as all spaces are determined by the lottery and random chance. The senior parking lots include the Senior Lot, Trails, and West Middle AHS spaces. The first row at Red Spring is reserved for seniors if we need additional spaces.

TO ENTER THE LOTTERY, YOU MUST DO THE FOLLOWING:

1. Print your name on a **3 x 5 index card** and return the card with this completed parking lottery form and AHS Parking Regulation Policy. Please check that both you and your parent(s) have signed on the appropriate lines.
2. *****Submit a one-page photocopy of your license and vehicle registration with your completed two-sided form.***** **DO NOT SUBMIT LEARNER PERMITS**
3. **Supply the license plate number, make, model and color of the primary and secondary vehicle** that you will be driving to school on your assigned permit number.
4. **Payment is \$200.00 per parking permit. Checks can be made out to Andover High School or you can pay by cash.**
