*Zero Waste Day - **Sat 5/3**, organized by Andover Recycling Committee (see email below) - is a day when anyone can drive through with their car loaded with items to donate/recycle. Volunteers help to unload the cars and bring the items to the appropriate organization (see attached flyer for organizations and items that can be recycled/donated – this year it's pretty much everything: electronics, tires, building materials, textiles, toys, household goods, etc.). I've been volunteering at it myself, often alongside Env. Club members, for the past few years and it's always a smoothly-run, well-organized event. This year, the organizers of Zero Waste Day are expecting a HUGE turnout (they had 500+ cars

last year) and are looking for as many volunteers as possible. Could you please help to publicize this opportunity to AHS students and parents? <http://www.signupgenius.com/go/10C0D4FA4A622A2FD0-zero>
