

PLAN FOR APS STUDENTS IN QUARANTINE 2021-2022

TESTING AVAILABLE TO APS STAFF AND STUDENTS

- *Test and Stay & Symptomatic* programs provided by DPH & DESE.
- We believe these programs will mitigate large numbers of staff and students being quarantined.
- This testing will be available at all schools to students and staff who develop symptoms **while at school** and will require permission from a parent/guardian for students. Staff will need to sign consent to test.

PLAN FOR APS STUDENTS IN QUARANTINE 2021-2022

- These guidelines for student quarantine align with what the district's educators have consistently provided for our students who have been absent due to illness or injury.
- APS staff members will be used to support student learning while the student is in quarantine.
- Staff members may include: the student's teacher, instructional assistants, reading specialists, math coaches, and digital learning coaches.

GRADES PK - 2 STUDENTS/ FAMILIES WHO ARE QUARANTINED WILL RECEIVE:

- Take home packets.
- A minimum of two touch points with an APS staff member daily.
- Touch points via Google Meet.
- Contact from an APS staff member to families to establish expectations to meet.
- Assignments and materials by APS staff available in SeeSaw which is accessible through Schoology.

GRADES 3 -5 STUDENTS WHO ARE QUARANTINED WILL HAVE:

- Assignments provided in Schoology by APS staff.
- Contact from an APS staff member with students/families to establish expectations to meet.
- A minimum of two touch points with APS staff daily.
- Google Meet used as a touch point with APS staff.
- Take home packets.

GRADES 6 - 8 STUDENTS WHO ARE QUARANTINED WILL HAVE:

- Assignments provided in Schoology by APS staff.
- Contact from an APS staff member with students using Google Meet to establish opportunities to meet for assistance with learning tasks and/or instruction.
- Google Meet will take place on Tuesdays, Wednesdays and/or Thursdays during the 30-minute after school time.

GRADES 9 - 12 STUDENTS WHO ARE QUARANTINED WILL HAVE:

- Assignments provided in Schoology by APS staff.
- Contact from an APS staff member with students using Google Meet to establish expectations and opportunities to meet.
- An APS staff member to assist students during H-Block or Transitions.
- Opportunities to meet with APS staff using Google Meet facetime to address their needs.
