

APS COVID-19 Mask Requirement Recommendations

Thursday, March 3, 2022

Dr. Magda Parvey - Superintendent, Andover Public Schools

Rita Casper RN NCSN - APS Director of Nursing

Recommendations

Recommendation to revise the current School Committee policy EBCFA with the following:

- The district recommends lifting the mask requirements on March 4, 2022, at 5 PM, making masks optional for individuals in school buildings and on school transportation.
- A School Committee vote to revise the policy will delegate the authority for masking decisions to the superintendent with notification to the Committee.
- Any decisions will be made in collaboration with the town of Andover's Director of Public Health and APS Director of Nursing and will consider the adjustment of all mitigating health practices if concerning factors arise.
