### AGREEMENT

1-01. This agreement is made between the School Committee of the Town of Andover, hereinafter referred to as the "Committee" and the Andover Administrators Association MTA/NEA, hereinafter referred to as the "Association". The future of the students to which the educational system must be dedicated compels the assumption that the Committee has the ultimate responsibility for the establishment of the educational policies; that the Superintendent of Schools has the responsibility for the implementation of the policies so established; and that the administrator has the responsibility to pursue the directives generated by the Superintendent to reach the objectives implicit in the established educational policy.

1-02. The Committee recognizes the Association as the exclusive bargaining representative of the following administrative personnel, hereinafter referred to as the "Administrators": Assistant Principal, Program Coordinator, Program Advisor, Special Education Program Head, and District Coordinator and such others as may be regularly assigned to administrative functions for more than fifty percent of the work week. Such others as may be assigned to administrative functions on a temporary basis and during the summer recess shall be deemed temporary in nature and not covered by this agreement.

## ARTICLE 2

### TERMS OF AGREEMENT

This agreement becomes effective July 1, 2021 and shall be in effect until midnight of June 30, 2023. If an agreement is not consummated on or before July 1, 2023, for the ensuing period, then negotiations shall proceed under the coverage of the terms and conditions prevailing prior to the termination of the Agreement until such time as an agreement is reached.

## ARTICLE 3

### RENEWAL OF AGREEMENT

Negotiations for an extension or modification of the Agreement shall commence on or before April 1, 2023 on a date mutually agreed upon. It shall be deemed that by the affirmation of this Agreement, each party has served notice upon the other of its intent to amend the Bargaining Agreement upon its termination unless advised to the contrary.

## ARTICLE 4

### ASSOCIATION SECURITY

4-01 The Committee may conclude no agreement with an alien bargaining unit which will affect the basic premises and concepts of this Agreement.

4-02 Upon compliance by the Association with the necessary statutory requirements, the Committee will require, as a condition of employment, continuous good standing as an Association member or continuous good standing as an Agency Associate beginning with the thirtieth day following the date of employment or the effective date of the Bargaining Agreement, whichever is the later.

## ARTICLE 5

### POLICIES AND PRACTICES

5-01 Changes in working conditions of administrators not contemplated by this Agreement and not consistent with past policies and practices which arise from negotiations between the Committee and other Andover School System employee bargaining units or changes in the school system organizational structure will be negotiable with regard to reassigning priorities of duties, responsibilities and wages.

5-02 If the negotiation does not achieve agreement, the grievance procedure may be initiated.

5-03 The implementation assigned by the Superintendent shall be carried out until changed by the grievance procedure or resolution.

5-04 Under no circumstances will the implementation of the Article impede the policy-making authority and responsibility of the School Committee.

5-05 In the absence of any evidence of negligence, administrators will not be held responsible for the loss of items of school property. This paragraph shall be construed to include monies collected or transmitted by administrators.

## ARTICLE 6

### GRIEVANCE PROCEDURE

6-01 A grievance is hereby defined to mean a complaint by an administrator or group of administrators based upon an alleged violation of this agreement or a dispute involving the meaning, interpretation or application thereof.

Failure to appeal the grievance within the specified time limit shall be deemed to be an acceptance of the decision rendered at that level.

6-03 A grievance that affects a group or class of administrators may be submitted in writing to the Superintendent directly and the processing of such grievance shall be commenced at Level Two.

6-04 If an administrator presents a grievance without representation by the Association, the disposition, if any, of the grievance shall be consistent with the provisions of the Agreement. Administrators will be allowed to have representation by another member of the Association during any level of a grievance hearing.

#### Level One:

Failing resolution, a written grievance may be presented to the Superintendent of Schools within twenty (20) days following the occurrence of any grievance, or the date of the first knowledge of its occurrence by any administrator affected by it.

Level Two:

The Superintendent shall notify the aggrieved and the Association in writing of the disposition of the matter, within ten (10) school days of this meeting. If the grievance is still unresolved, the aggrieved, within ten (10) school days of the receipt of the Superintendent's answer or on the expiration of the ten (10) school days if there is no answer, may present the grievance, which shall be in writing to the Committee.

Level Three:

6-07 The Committee at the next regular School Committee meeting, after receipt of the written grievance, shall meet with the aggrieved and the Association in an effort to resolve the matter. The Committee shall thereafter notify the aggrieved and the Association in writing within ten (10) days as to the result of their deliberations.

Level Four:

6-08 If the grievance still remains unresolved between the Committee and the Association, then either party may submit the matter to arbitration within ten (10) school days of the Committee's response or failure to submit a timely response.

6-09 The arbitrator shall be selected by an agreement between parties. If the parties are unable to agree upon an arbitrator, the selection shall be made by the American Arbitration Association in accordance with its Rules and Regulations.

6-10 The arbitrator shall be without power or authority to make any decision either prohibited by law, or to add to, alter or modify this Agreement.

6-11 The decision of the arbitrator shall be in writing and shall set forth his findings of fact, reasoning and conclusions of the issues submitted. The decision shall be final and binding on the parties.

6-12 Grievances pending or grievances which may arise during the summer vacation period shall be held in abeyance until the opening of school in September.

Employees shall be paid through direct deposit and the Committee may provide employees with electronic advices in lieu of paper pay stubs.

30-02. \*Compensation Philosophy and Work Days: It is recognized by both parties that it is the intention of the Administration to compensate positions based on the breadth and scope of responsibilities inherent in the position. It is also understood the administrators are exempt supervisory positions and that responsibilities are apt to increase as new services and programs are developed and come on line to serve the needs of students. When there is a significant increase in responsibilities, such as expanding from 9-12 to 6-12 or preK-12, there will be an adjustment to reflect additional responsibilities.

30-03. Effective July 1, 2008 the Employer will establish a flexible spending account through which members may contribute up IRS limit (\$2500) for medical expenses and up to the maximum permitted by IRS regulations for dependent care. The Employer will assume the costs of the administration set up of this plan.

30-04. No current administrator will suffer a salary reduction due to a transfer or decrease in student enrollment in his/her building. However, the administrator's salary will be red-circled or frozen until it is in line with his/her level of responsibility.

30-05. An administrator may receive his/her daily rate or compensatory time for days worked in excess of the contractual work period if granted prior approval by the superintendent. The daily rate shall be computed by dividing the stipulated annual salary by the number of days within the designated work period. Such compensatory time shall not exceed 7 days.

30-06. The annual compensation will be extended through twenty six (26) equal biweekly payments.

30-07. An administrator contractually scheduled for a ten (10) month year may submit a written request to the office of the Superintendent prior to May 15 of a given year for a combined single payment reflecting the total salary payments due during the summer recess. Such request shall be honored no later than the last scheduled work day.

30-08. Reimbursement at the rate per mile shall be made to administrators for travel necessary to the performance of assigned duties, meetings within the system, educational conferences, seminars and workshops. If school employees receive an increase in travel reimbursement, then said increase will be granted to the members of the AAA members.

30-09. All administrators will be paid through direct deposit.

30-10. **Grant Management Stipends.** When a Unit B member is managing a grant that does not include a stipend, the Superintendent or their designee will review the grant, taking into consideration current comparable grants (i.e., size, management time, dollar amount, data collection, reporting requirements, etc.) and their respective stipend amounts (if any), to determine an appropriate stipend, if any, for managing the grant. The Superintendent/designee will endeavor to determine an appropriate stipend, if any, prior to assignment of the grant management work. Any stipend amount is subject to funding availability. The Superintendent's/designee's decision on whether to grant a stipend, and the amount of any such stipend, is final and not subject to grievance or arbitration.

30-11. **Class Coverage.** When a Unit B member is directed by the Principal to perform a long term substitution for a Unit A position, when efforts to hire a permanent substitute have not been successful, and the substitution by the Unit B member lasts longer than ten (10) consecutive school days, starting with the 11<sup>th</sup> consecutive school day, the Unit B member will be compensated at a rate of \$156 per school day at the elementary level or \$50 per class covered, per school day at the middle school or high school level. Payment is to be made starting with the eleventh (11<sup>th</sup>) consecutive school day of coverage. For those assignments lasting more than twenty (20) consecutive school days, payment will be made beginning with the 6<sup>th</sup> day.
