

# 4TH GRADE – 2019-2020

Dear Incoming Fourth Grader,

Welcome! We are so excited about a new year with you. While South School provides initial basic scholar supplies for all students, you may choose to bring these personal supplies below for your child:

Pencils	Markers	Pencil sharpener	Erasers
Pens	Glue Sticks	Dry Erase Markers	Tape
Colored Pencils	Index Cards	White out	

We kindly request that you bring the following supplemental items to school on opening day:

1. A **pencil case** to hold any of the following personal items that you want to store in your desk – pencils, coloring materials, highlighters, a sharpener, dry erase markers, glue sticks, scissors, pens, and scotch tape.
2. 4 **tennis balls** cut with a generous “X” in order to slip the ball over the chair leg.
3. 4 black and white **composition notebooks** to be used as writing, math, and science journals throughout the year.
4. Two folder designs of your choice for a Homework Folder and a Work In Progress Folder.
5. **Ear buds or headphones** of your choice labeled with your child’s name in a storage bag.
6. A **\$15 check**, made out to **South School**, for your Homework Planner and subscription to a monthly current event magazine called *Time for Kids*.

We greatly appreciate donations of disinfectant wipes, tissues, and paper towels as we typically go through those consumables rather quickly during the year.

Thank you and we look forward to a terrific year together,  
The Fourth Grade Team
