We, the members of the Andover School Committee, feel compelled to formally and unequivocally go on record to condemn the bigotry, racism, violence, and hate that was displayed in Charlottesville, Virginia, and elsewhere.

We want the people of our community, whom we have been elected to represent, to know that, in the face of tumult near and far, the Andover Public Schools will remain steadfast in our defense of tolerance and our commitment to the values of respect, inclusion and empathy – welcoming to all races, religions, creeds, genders, and orientations.
