ANDOVER PUBLIC SCHOOLS

# 2018 Accountability

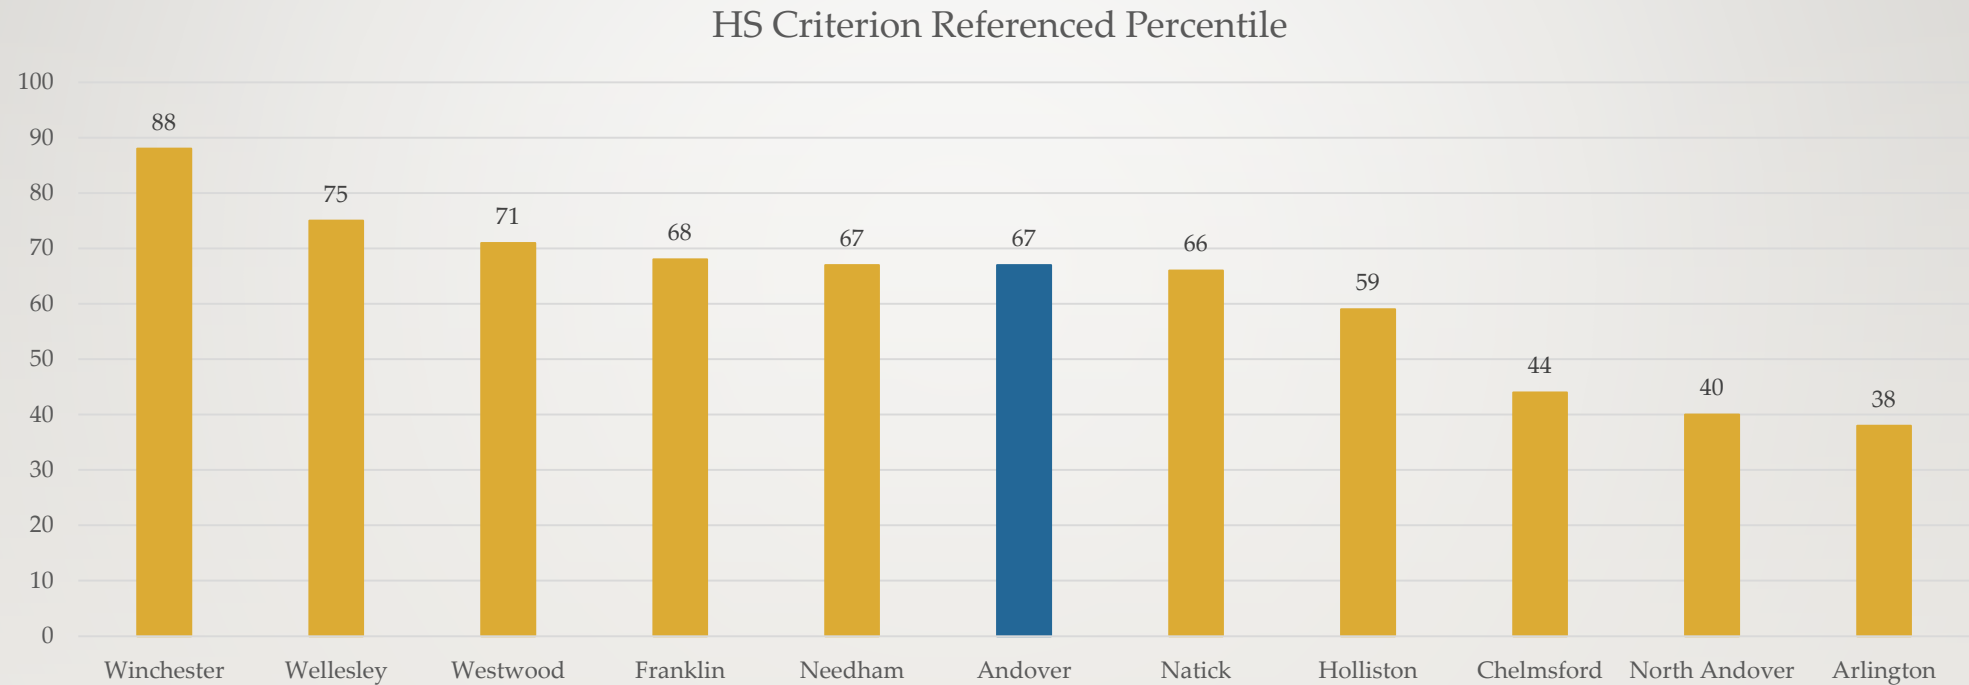

- Under the new MCAS Accountability system, Andover schools performed well overall.
- West Elementary School was named a School of Recognition, one of only 52 statewide.
- Chronic absenteeism is a new indicator, and one where the district often did not improve or meet targets.

# MCAS Results

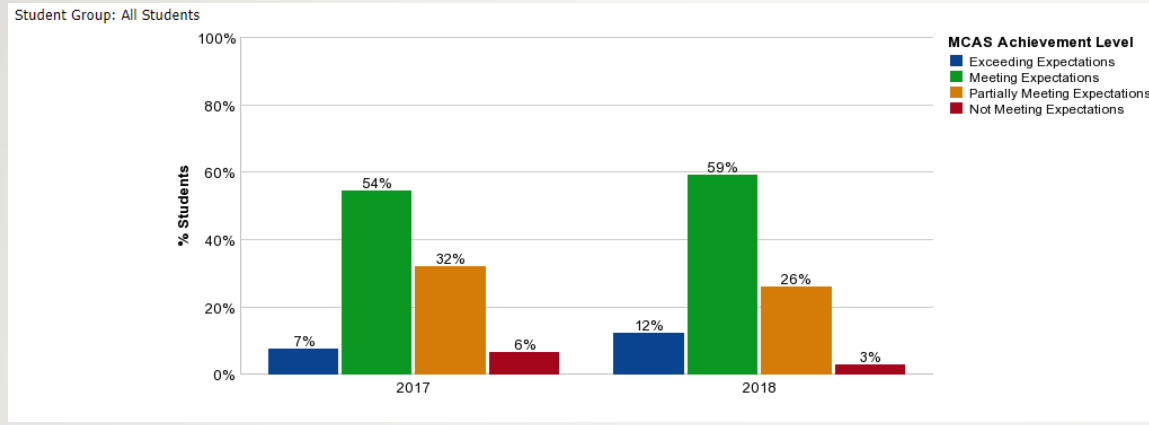

- Growth at the elementary schools in ELA, including students with disabilities
- Middle schools statewide saw a decline in MCAS results across all tests from 2017-2018; Andover's results were similar, or showed small improvements
- Overall high school performance (CPI) is high on all tests
- The new AHS schedule might have contributed to gains in scores on the Introductory Physics MCAS
